## Deadline Online Data Entry for ICU:

Please do not forget that the online database for nutritionDay in ICU will close for data entry on **February 15<sup>th</sup> 2013** (midnight CET).

Afterwards data will be checked for completeness and plausibility. In case of inconsistencies concerning your data you will be informed via email. If necessary you will have the possibility to correct your data.

## nutritionDay in nursing homes – preliminary report

Participants of nutritionDay in nursing homes who managed data transfer until January 11<sup>th</sup> 2013 will be provided with their preliminary unit report together with the feedback sheet in February 2013! With the feedback sheet you have the possibility to correct implausible data. Please transfer data as usual by using our online database!

Please keep in mind to evaluate the outcome on **May 8<sup>th</sup> 2013!**

## Special thank goes to...

Dr. André van Gossum and the Belgian nutritionDay team as well as to the styrian nursing homes (Austria)! Both have managed to recruit over 2200 and 3000 datasets, respectively. This is a huge contribution and success for nutritionDay in 2012. The nutritionDay team thanks you for your efforts!
